

Hospital Foundation donation

The Martin-Morris Agency recently presented the Quincy Valley Medical Center's Hospital Foundation with a \$1,500 donation from Asuris Northwest Health, part of the Regents Blue Shield network. Martin-Morris was recognized by the Asuris Ovation Program as being in the top 30 broker agencies for last year, earning the \$1,500 bonus. Martin-Morris chose to give the proceeds to QVMC, saying they recognize the importance of having a quality hospital in Quincy for local residents.
