BENEFIT DINNER FOR UNCOMPENSATED CARE

QUINCY VALLEY MEDICAL CENTER

Join Becki Sue & Her Big Rockin' Daddies at White Heron Cellars for an evening that after it is said and done offers care for members of the community. The Quincy Valley Hospital Foundation has developed a presence for building awareness and contributions through annual events which raise funds to benefit uncompensated care and growth at Quincy Valley Medical Center (QVMC) in Quincy, Washington.

For 48 years, QVMC has provided compassionate care to the members of the community and to the far-reaching surrounding areas. Many of the patients who visit QVMC are from families and organizations who do not have the means to pay for the full cost of their care. No person is ever denied care due to their financial resources. Each year QVMC sees thousands of patients with minor to critical care needs and many can not afford the cost of the care.

The Quincy Valley Hospital Foundation supports QVMC in its worthy mission of providing care to everyone who enters our doors.

Benefit Dinner Event Reservations / Tickets:

You may purchase your tickets in advance by mailing a payment of \$45.00 each person to the address below BEFORE August 18th. Tickets at the door will be \$55.00 each person. Dinner reservations include admission to the winery, gourmet dinner, live musical entertainment, special guests and more. All ticket sales go directly to the Quincy Valley Hospital Foundation. As a not-for-profit organization (501(c)3), ticket sales are directed only to the Foundation for the purchase of equipment, supplies and projects to improve care.

Individual Gifts:

Many who participate in our events make individual donations through the Quincy Valley Hospital Foundation to help further our fund-raising efforts. Tax-deductible gifts range from \$25.00 to \$10,000 and beyond.

Mail your payment for reserved tickets to:
